

Cloud Nine

CLOUD NINE styling, curling and volumizing solutions

Cloud 9 irons are globally known for their revolutionary mineral-infused ceramic plates, which deliver super-fast heat & minimise the damage to your hair

KINDER STYLING & SUPER FAST HEAT GUARANTEED WITH THE TOUCH

Equipped with a controlled heating system, the irons adjust from 100°C to 200°C according to intelligent thermal sensors. You can rely on the irons to provide an enviable frizz-free finish & brilliant shine. Available in 3 sizes

Original iron, 25mm plates
8457

Wide iron, 40mm plates
8458

Micro, 16mm plates, 150°C
8459

All Cloud 9 irons come with a carry pouch, protective heat guard & safety heat mat

CLOUD 9 MAKES WAVES WITH ITS REVOLUTIONARY WANDS

Patented technology, including a unique heat control system & a mineral-infused ceramic barrel.

The Original Wand, designed for medium to longer hair length, tapered barrel to create large-to-small curls. 13mm to 38mm, 185°C
